

Irojiten Colored Pencils

These, beautifully crafted, premium quality pencils come in 90 yummy colors. They are a joy to work with to color your ZIA tangles.

The **Irojiten Pencil** colors blend and layer to create interesting and beautiful colors. They keep a fine point and lay down the color with little bloom.

A fun technique with the **Irojiten Colored Pencils** is the **Impressed Method**. Use an embossing tool and impress your string and tangles onto the tile. When you color over with the **Irojiten Colored Pencils**, the lines appear like magic! This method works extremely well with the **Soft Primary** and **Fluorescence** Irojiten Colored Pencils on the black tiles.
