# MONOCHROMATIC ILLUSTRATIONS WITH ABT PRO

*#LearnWithTombow*

## LESSON ONE: SHAPE

Before you ever pick up a pencil, \_\_\_\_\_ your subject.  
 \_\_\_\_\_ the shape, choose a \_\_\_\_\_, and  
 \_\_\_\_\_ from there.

**Note the shapes on the image below, and identify the order they are drawn.**

## LESSON TWO: VALUE

Value is the degree of \_\_\_\_\_ or \_\_\_\_\_ of a color.

The \_\_\_\_\_ number on the ABT PRO marker notes value.

The \_\_\_\_\_ the number, the \_\_\_\_\_ the value.

For example, 0 is \_\_\_\_\_ and 9 is \_\_\_\_\_.

Illustrations have three values: \_\_\_\_\_, \_\_\_\_\_, and \_\_\_\_\_.

Identify the three values on the image below.

## LESSON 3: STYLE

Illustrative style makes art \_\_\_\_\_. A few different styles and textures to try are:

## LESSON 4: LAYOUT

Layout is how you place the \_\_\_\_\_ on the \_\_\_\_\_ when you draw.

The Rule of Thirds is a rule to make compositions more \_\_\_\_\_ and \_\_\_\_\_. To abide by the rule of thirds use the four intersections to place the \_\_\_\_\_.

**Draw the Rule of Thirds:**

## FINAL PROJECT

Create your own flat lay using Tombow products and illustrate it!  
You'll need a MONO Drawing Pencil 4H, MONO Eraser, MONO Drawing Pen, an ABT PRO 5 pack, and smooth bristol paper.

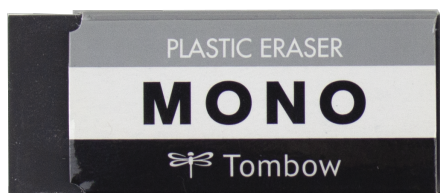

First, create your flat lay. Then, identify and sketch the \_\_\_\_\_. To finish add \_\_\_\_\_ and \_\_\_\_\_.
